Okay, then please just plan to have 1 START member on-site through Friday (3/7/14), with the caveat that we may leave sooner.

Thank you,  
Melissa

Good morning,

Since there is not that much changing on the site for this week, it would be best if we could have 2 START cover the site Saturday (3/1/14) ( I believe that was going to be Jocelyn and Gene) and then Sunday (3/2/14) 1 START present and I will arrive around 2:30pm. Then Monday (3/3/14) we will have 1 START and based on the 10am meeting with the facility decide if a START member will remain at the site that week or not. It is possible that by the end of next week we will no longer have any EPA presence at the site, except on an as needed basis.

Thank you,  
Melissa
